. RESPONDENTS

THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION NO. 10401 OF 2006

ORDER:

The petitioner is working as teacher in a residential school at Narsapur of West

Godavari District. He has been transferred to the similar school at Krishnaraopalem of Krishna District, through proceedings in Rc.No.Z-II(1)/2360/2005, dated 21.04.2006. The same is challenged in this writ petition.

Heard the learned counsel for the petitioner and learned standing counsel for respondents.

It is true that in the order of transfer certain, remarks are made against the petitioner, as to his nature and the manner of functioning. This Court finds that such observation was totally uncalled for and unnecessary in a simple matter of transfer. In the first paragraph of the order, it was indicated that the petitioner was working for seven years in the same place and that fact would have been sufficient in ordering transfer of the petitioner. Making any observation adverse to the interest of the petitioner would have its own effect.

For the foregoing reasons, the writ petition is disposed of directing that the order dated 21.04.2006 shall be treated as order of transfer simpliciter and the allegations particularly those contained in para-2 therein shall stand deleted. The transfer order stands modified to that extent.
